That is too bad about the travel hassles. Never fun.

Ralph and I talked and we covered the following:

1. We think the weather should be ok for meetings next week as long as we give ourselves a little extra time.
2. As of now, NDEP has not received any comments on OU-8 proposed plan but if we do between now and Monday we will share so that can help with the preparation.
3. Ralph was not aware of any comments into BLM from tribes on OU-8 proposed plan or NPL.

Thanks,
Greg

It does suck that we are stuck in Burbank. Hopeful that we will get out soon.

I'm really sorry EPA was not able to call into the call on time. Both Harry and I are suck in Burbank and were busy trying to get a flight back to SF. If necessary, we are available for the next 30 mins to call in. Thanks. Angeles
